# Please Consider Giving Your Support

York Academy of Discovery is committed to young children and excellence in education. We advocate on behalf of children and seek to provide programs that meet the needs of children and their families.

We are eager to provide a quality early learning experience for the children in our area. To continue our journey of community service, we focus on a full-day program for four-year-old children that operates 4 days a week.

This early childhood faith-based program is **free for low-income students**.

Our program focuses on school readiness and the whole child – helping each child to develop in all areas (socially, emotionally, intellectually, physically, and spiritually). Children of all backgrounds, nationalities, and religions are welcomed.

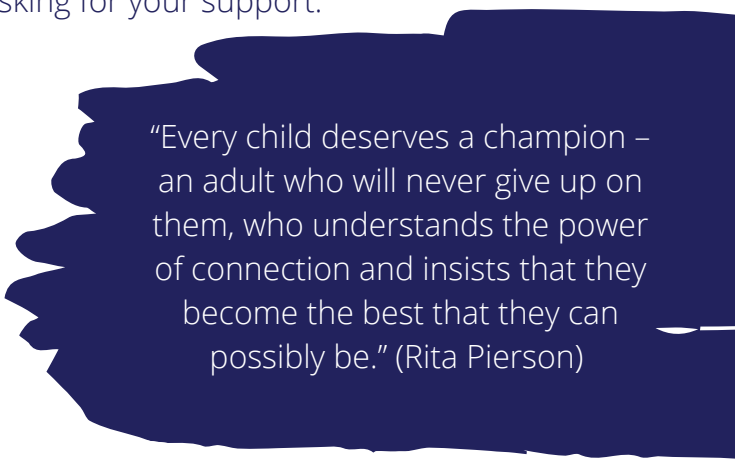

York provides a caring and loving environment with playful academic activities as well as development in the arts. Our environment will be one of acceptance, helping children to develop empathy for others, good character, and a beginning understanding of service.

York needs funding for this unique program and is asking for your support.

### Ways to Support:

- Financial Donations
- Donations of Materials
- Volunteer Time
- Connect and Engage on Social Media
- Help Spread Our Message!

We would love to meet you and discuss our mission.  
*In Your Service, Becky Kischnick, Founder*

“Every child deserves a champion – an adult who will never give up on them, who understands the power of connection and insists that they become the best that they can possibly be.” (Rita Pierson)
